Dr. M. Ssemanda, Principal

January 2020

## ✠ *Message from Fr. Charlie*

Happy New Year!

As we enter into a new decade, we do so in the midst of the Christmas Season.

The 1st day of January is the Solemnity of Mary the Mother of God. We also

Recognize this day as a World Day of Prayer for Peace.

This day reminds us that all people everywhere share in the mystery of the Incarnation,  
communion of divinity and humanity which is revealed in Jesus Christ.

Our task is to recognize the diverse presence in the least of those with whom we  
share this mystical communion which may be a 2020 New Year's  
resolution for us all.

May we continue to recognize this divine presence in all of creation as we grow in respect of  
that creation.

May the Lord bless you in 2020 in new ways.

Fr. Charlie

Mrs. S. Pizzuti  
Superintendent of  
Education

Mr. P. Daly  
Trustee

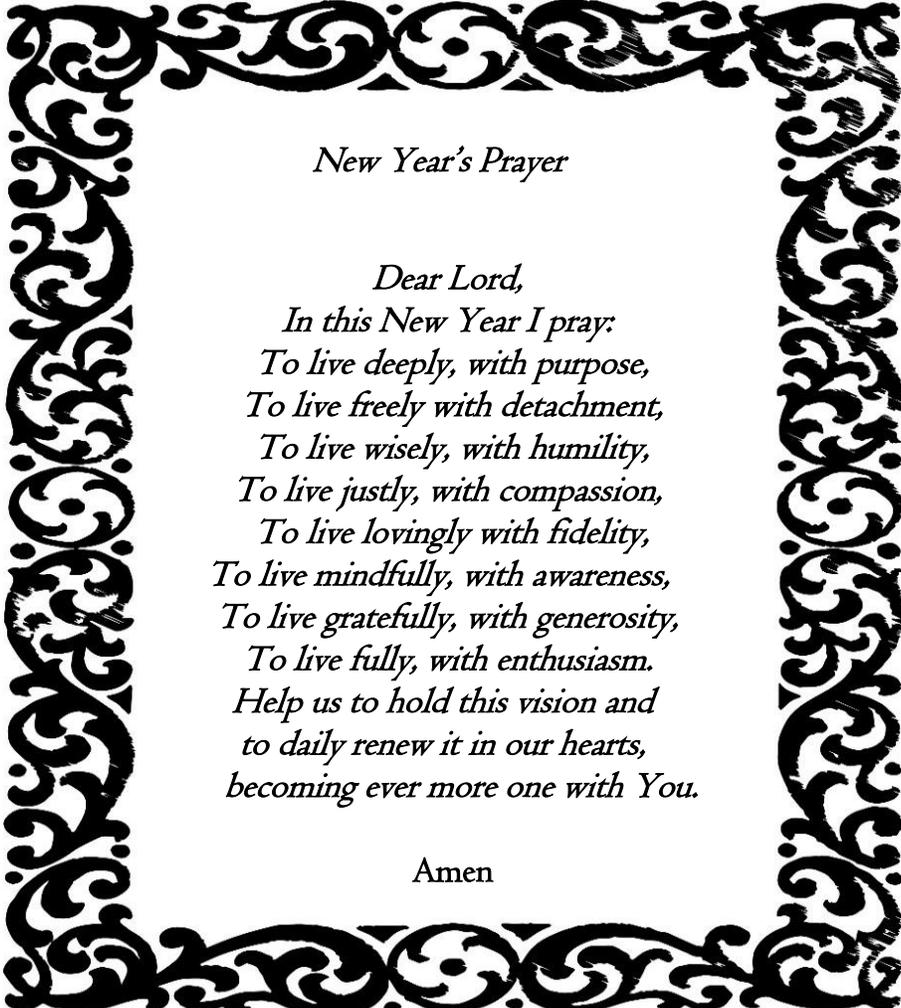

Fr. Charlie Jordan

## *Message from the Principal*

Welcome back! May 2020, be filled with God's blessings and good health for all of us at Sacred Heart of Jesus School community. As we begin a new year, we reflect upon the fact that Jesus is the main focus of our Catholic school. His words and teachings are part of our daily existence. Through prayer, reflection, charitable actions and Masses, our school community celebrates His glory. As we set new goals for our families, and ourselves let us work towards leading others to God in all that we say and do. We are all looking forward to a rewarding new year in the education of your children. May God 's love shine through each and every one of you making our community a more peaceful, caring and loving one, where our children can grow to realize their God-given gifts and talents to make our world a better place. May God bless us all at Sacred Heart of Jesus School community with His peace, joy and happiness!

### *New Year's Prayer*

*Dear Lord,*

*In this New Year I pray:*

*To live deeply, with purpose,*

*To live freely with detachment,*

*To live wisely, with humility,*

*To live justly, with compassion,*

*To live lovingly with fidelity,*

*To live mindfully, with awareness,*

*To live gratefully, with generosity,*

*To live fully, with enthusiasm.*

*Help us to hold this vision and*

*to daily renew it in our hearts,*

*becoming ever more one with You.*

Amen

## French Café

Save the Date!! Our French Café is coming soon...Friday, February 14, 2020!!

## Safety Concerns

It has been brought to our attention that some parents are parking illegally and this is causing a lot of confusion and traffic congestion problems. Please obey the parking signs by parking legally. Below is the information regarding the parking and fines:

**"park" or "parking" when prohibited**, means the standing of a vehicle whether occupied or not except when standing temporarily for the purpose of and while actually engaged in loading or unloading merchandise or passengers;

Fine: Early Payment \$26.00 (payment within 7 days of the offence) Late Payment \$33.00 (payment within 15 days of the offence)

**"stop" or "stopping" when prohibited**, means the halting of a vehicle, even momentarily whether occupied or not, except when necessary to avoid conflict with other traffic or in compliance with the directions of a constable or other police officer or of a traffic control sign or signal;

Fine: Early Payment \$60.00 (payment within 7 days of the offence) Late Payment \$75.00 (payment within 15 days of the offence).

We do not want any of our parents/guardians to get ticketed. Your cooperation and understanding in this important matter is very much appreciated.

## Graduation Pictures

Graduation Pictures will be taken on Monday, January 20, 2020 from 9:00 to 10:30 a.m. Students are to wear a white top of their choice for these pictures. A collared dress shirt and tie are recommended for the boys while a collared blouse is recommended for the girls. Turtlenecks are also an option. Photos taken will form the graduation composite received with the diploma in June.

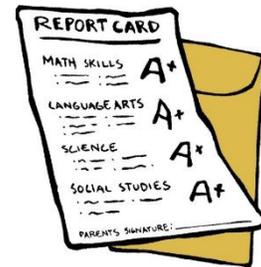

## Next Council Meeting

Our next Catholic School Council meeting will be on Thursday, January 9, 2020 at 6:00 p.m. in the Learning Commons. All parents are welcome to attend.

## Provincial Report Cards

Term 1 officially ends on Friday, January 31, 2020. First term Provincial Report Cards will be sent home with all students from Kindergarten to Grade 8 on Tuesday, February 11, 2020. Parents who wish to have an interview with their child's teacher are requested to please send a note to school so that arrangements can be made to accommodate the request. Please remember to return page 3 of the report card so that it can be filed in your child's OSR - Ontario School Folder.

## New Registrations

Registrations for students entering Junior Kindergarten or Kindergarten in September 2020 will be taken in February. Please call Ms. Bennici at the school to book an appointment to register your child. Tell neighbours and friends! We need to know about all new students as soon as possible in order to begin planning for class organization and staffing for September. Please make sure you have the following documents with you upon registration:

- Original Birth Certificate (if Canadian Citizen)
- Landed Immigration or Refugee Status (if applicable)
- Original Roman Catholic Baptismal Certificate
- Proof of Residency

Copies will be made at the school to initiate your child's file. Junior Kindergarten students must have been born in 2016

and Kindergarten students must have been born in 2015.

Please note that Sacred Heart of Jesus Catholic Elementary School will continue to offer the Full Day Kindergarten Program for Junior Kindergarten and Kindergarten children for September 2020. Parents may wish to read the information brochure which is available at the following website to become more familiar with the program being provided.

<http://www.hwcdsb.ca/programsandservices/kindergarten>

## Inclement Weather – School Closure

Unless announced on the radio, all schools will remain open even though the weather may be severe. As always, parents have the right and the responsibility to decide to keep children home if there is any question as to their safety. We do ask that you call School Messenger if your child will be absent. Any school closures or cancellations of transportation will be announced on the following TV/radio stations as well as the Board's website and Twitter/Facebook accounts by 7:00 am.:

900 CHML/ Y108 FM/ 95.3 Fresh FM/ K-Lite 102.9 FM/ Jewel 92.1 FM/ CKPC 1380 AM Radio  
CHCH TV Morning Live

The school board website ([www.hwcdsb.ca](http://www.hwcdsb.ca));

Twitter (<https://twitter.com/HWCDSB>)

Facebook ([www.facebook.com](http://www.facebook.com))

The Hamilton Spectator ([www.thespec.com](http://www.thespec.com)) CBC Hamilton ([www.cbc.ca/hamilton](http://www.cbc.ca/hamilton))

## WINTER WEATHER

Now that colder weather is here, please have children come prepared for outdoor recesses. It is necessary for hats, mittens and winter coats to be worn to school. We strongly encourage labeling of all clothing items to avoid loss of articles.

## Before & After School

Parents/Guardians you are reminded that supervision is not provided before 8:30 a.m. and after 3:10 p.m. Students who are not directly being supervised by their parents, guardians or caregivers must go home right after the bell for their safety and due to liability reasons. Please remember that the school doors are locked after 3:15 p.m. We thank you all for your cooperation.

## INDOOR/OUTDOOR SHOES AND BOOTS

Please be reminded that ALL students need indoor and outdoor footwear for the cold and wet weather. Children spend a good portion of time outside and in addition to warm clothing, they require warm footwear. Also, we ask that children not wear wet footwear in the school.

## REPORTING ABSENCES (Safe Arrival Program)

Parents can report their child's absence quickly and conveniently in one of three ways:

1. Parents can call into an automated interactive telephone system via a toll free number 1-833-275-6703.
2. Parents can log into a website, <https://go.schoolmessenger.ca> to authenticate their Portal account.
3. Parents who have authenticated their accounts and have either an iOS or Android device can download an app.

The automated notification system will contact parents at multiple contact numbers until one of the designated contacts is reached. If the system is unable to reach a designated contact after 20 minutes, office staff will follow up. By reporting your child absent in advance using the Safe Arrival toll free number or the Safe Arrival Portal website/app, you will NOT receive a call. We would also like to remind parents to inform the office of any changes in phone numbers and/or addresses as it is essential that we be able to reach you in case of an emergency involving your child.

## Cold Weather Alerts

During Cold Alerts, schools have been advised to keep students indoors. The Medical Officer of Health for the City of Hamilton issues a Cold Alert when current or anticipated weather conditions are at or below minus 15 degrees Celsius or minus 20 with a wind chill. If there is no Cold Alert Advisory, students will more than likely be outdoors for recesses; therefore, proper winter clothing is needed daily. This includes layered clothing, a heavy coat, snow pants, waterproof boots, hats, gloves and scarves. Both indoor and outdoor shoes are required.

## Winter Safety

Snowball throwing is forbidden on school property. Since most snowballs may contain ice, throwing snowballs becomes similar to throwing rocks; therefore, students who throw snowballs will face very serious consequences, which may include suspension.

Now that we often have snow hills in our playground, climbing them is not permitted, before , during or after school. We have had many accidents on the snow hills. Winter activities can be exciting and fun, but we want to ensure that everyone is safe. Activities which are safe between 3 or 4 students in their backyard, can become a dangerous activity when there are many more students in one area. Please discuss these reminders with your children. We will continue to remind them at school! **Students who choose not to abide with these safety rules will be given consequences.**

## Safety

We need your cooperation to make sure the fence and gates to the playground remain closed to ensure the safety of our staff and students.

## Playground Safety

For the safety of our children in the playground, we ask that only NERF (soft) balls be used. No other type of ball should be brought to school except for the basketballs being used at the basketball net. For the safety of all of our children **please do not bring any dogs on the school property.** Some children are not only allergic to them but others may be very frightened of dogs and even the best behaved dogs may react unexpectedly when confronted by large numbers of children. Thank you all for your cooperation.

## PARENTING TIP OF THE MONTH

### Parenting Tip 119

Colder days in January can mean more time indoors, a perfect time to connect as a family. Board games, puzzles, movie night, sharing a decade of the Rosary, baking or cooking a meal together – these are all great ways to interact and learn about each other. The more time we spend with each other, the greater the connection we feel for the other. Children need to feel they are valued and nothing speaks to their hearts more than time spent together!

(From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)

## MARRIAGE TIP OF THE MONTH

### Marriage Tip 99

New Year's Resolutions are often lofty goals that don't last too long after they are made, but even thinking about them reminds us that there is room for change/improvement. This year skip the resolutions and plan for a specific change in your couple relationship: a date night once a month (weekly if that is realistic); time at the end of each day to ask, what did we do good today, what could we do better; holding hands on walks or while shopping; sharing a coffee every morning before the kids wake up or work interferes; finding one thing to thank your spouse for daily; looking for moments to compliment. There are so many more possibilities, so take the time to do something! At the end of 2020 you will feel a renewed sense of connection and love – try one or try them all, but do try something!

(From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)

## Seasonal Flu Update

As the flu season approaches, please remind your child about proper hand washing and hygiene habits. If your child displays flu-like symptoms, it is strongly recommended to keep your child at home in order to prevent the spread of the virus. When reporting the absence to the office, please inform us if your child has flu-like symptoms which include fever, cough, sore throat, sore muscles, joint pain, weakness, fatigue, headache and sometimes diarrhea and vomiting. Students are reminded to wash their hands frequently, to cough/sneeze into the elbow and to avoid sharing snacks and personal effects.

## Communication

If you have any concerns or questions about the curriculum, work being sent home or your child's progress or well-being, your child's classroom teacher is a good contact. You may leave a message for your child's teacher at the office or by communicating in the agenda. Please be patient and the teacher will get back to you as soon as he or she is able to. If you have any concerns regarding the school, please do not hesitate to come and discuss the matter with the Principal.

## School Uniforms

In conjunction with our Board of Trustees and the Catholic School Council, the expectation is that all students will be in complete and proper school uniform. Our colours are navy and white for tops and navy blue for bottoms. A reminder that all tops must have a collar. **Cargo pants or kobe pants (pants with pockets along the leg), track/warm-up pants, SKINNY PANTS and corduroy pants are not permitted.** Jackets and coats are non-uniform pieces; sweaters for inside must be navy blue or white. Hoodies are not permitted. Crests can be either

embroidered or on a patch which is sewn to the garment, not screened-on (ink process). As well, crests can be purchased at the school office for \$3 if needed. In addition, spirit-wear (ie.: team/grad sweatshirts/hoodies, t-shirts) are not part of the school uniform. If you need assistance with the purchase of uniforms, please contact the school to speak with the Principal, Mrs. Ssemanda.

Mandatory School Uniform implies that all students arrive at school dressed appropriately and in adherence to the Board and school Uniform Policy. Failure to do so shall result in consequences as outlined in the Board Uniform Policy under the Dress Code/School Uniforms Policy Section 17.

## Student Attendance

Regular attendance is crucial to success at school. When students are habitually late or leave habitually early, they miss critical class time, feel disorganized and may miss important information. Punctuality is an important life skill that students learn and helps them establish good work habits for their future. Encourage your child(ren) to take responsibility for themselves to prepare and plan ahead in order to be ready and on time for school. Working together makes a difference for student learning.

## Lateness: School Arrival

Lateness continues to be a concern at Sacred Heart of Jesus School. Many students miss the initial part of their instructional school day due to this late arrival. **Valuable learning time is lost.** This is tabulated and forwarded to the Hamilton - Wentworth Catholic District School Board for auditing purposes. Chronic lateness is reported to the school's social worker. Please ensure that these inappropriate patterns of behaviour are not established with your children. Students should arrive at school no later than 8:50 a.m.

## Anaphylaxis

Sacred Heart of Jesus School is a place where all children feel safe and have a sense of belonging. To ensure the safety and well-being of all children, please note below the important information from Anaphylaxis Canada:

- Anaphylaxis is a serious allergic reaction that is rapid in onset and may cause death;
- Signs and symptoms of a severe allergic reaction can occur within minutes of exposure to an allergen (a substance capable of causing an allergic reaction)
- Very small amounts of certain foods can cause severe reactions when eaten. This may happen if a person at risk touches an allergenic substance and then subsequently touches the mouth. Even a very small amount 'hidden' in a food or transferred to a serving utensil has the potential to cause a severe allergic reaction. Direct ingestion of an allergy-causing food poses the greatest risk for people with food allergies.

**Cooperation from parent and guardians in adhering to the guidelines below is most appreciated:**

- There are students at this school who are allergic to the following foods items: Peanuts, all nuts, tree nuts, raw & cooked eggs, sea food, and hazelnuts
- Please avoid bringing these allergens into the school.
- Reinforce hand washing practices: wash hands before and after eating.
- Remind children not to share or trade food, food utensils, or food containers.
- Please do NOT bring any food products into the school; with permission, **non-food items** are permitted for various celebrations and special events and activities.

**Thank you for your help in keeping all our children safe.**

## Concussion Protocols

The Hamilton-Wentworth Catholic District School Board (HWCDSB) recognizes that children and adolescents are among those at greatest risk for concussions. The potential for a concussion is greatest during activities where collisions can occur, such as during physical education (PE) class, playground time, or school-based sports activities. However, concussions can happen any time a student's head comes into contact with a hard object, such as a floor, desk, or another student's head or body. Recent research has made it clear that a concussion can have a significant impact on a student's cognitive and physical abilities. Without identification and proper management, a concussion can result in permanent brain damage. Awareness of the signs and symptoms of concussion and knowledge of how to properly manage a diagnosed concussion is critical in a student's recovery and is essential in helping to prevent the student from returning to learning or physical activities too soon and risking further complications.

Please be advised that should your child be suspected of a concussion based on the signs and symptoms they are presenting, this new Concussion protocol will now come into effect. For more information on this protocol, please visit the Board's website under the Board tab, Policies and Procedures at <http://www.hwcdsb.ca>.

## December Award Recipients

Teacher	Academic Excellence	Christian Attitude	Hospitality
Mrs. Caruso - FDKA	Armen	Arisdean	Luc
Mrs. Clannon - FDKB	Annabelle	Aubrey	Theodore
Mr. DiGiacinto Gr 1/2	Alani	Thomas	Dhylan
Mr. Donelson Gr 2/3	Jhekiel	David	Elise
Miss Alessi Gr 3/4	Gabriel	Mariana	Aila
Mr. DiBenedetto Gr 4/5	Odette	Krisanique	Zachary
Mr. MacLeod Gr 6/7	Kwaku	Jewel	Juliane
Mrs. Richard Gr 7/8	Amber	Cassandra	Louise

## Curriculum Updates

### Mrs. Caruso, Mrs. Clannon & Mrs. Ianiero FDK

In Kindergarten, student learning will be connected to winter exploration.

Literacy:

- Guided Reading
- Home Reading for SKs will begin
- Winter vocabulary and sight words
- Writing simple messages

Numeracy:

- Data Management - comparing, creating and interpreting simple graphs-Number Sense - Exploring "5" (sets, parts, ordering, adding & subtracting) Happy New Year to you all!

### Mrs. DiGiacinto Gr 1/2

In Literacy, we will be starting our new unit on Persuasive Writing. Students are encouraged to continue with the excellent nightly reading. In Math, we will finish up our unit on Geometry and move to exploring with Measurement. Our focus will be on linear measurement - using standard and non-standard units to measure length. The students will also learn how to measure the area and perimeter of objects and shapes.

### Mr. Donelson Gr 2/3

We are finishing up our 2D geometry unit and we will be moving onto Measurement. Grade 2s will be learning to estimate, measure, and record length, perimeter using nonstandard units of the same size. Grade 3s will be learning to estimate, measure, and record length, perimeter, time, temperature using standard units. In language both grade 2 and 3 students will be moving on to procedural writing. They will be learning how to write step by step instructions in order to achieve a goal or complete a task.

### Miss Alessi Gr 3/4

In January, the grade 3/4 class will be completing their focus on letter writing. They will then begin to explore procedural writing, where students will write explicit instructions for the sequence of steps and detailed information on how, where, and when each step is to be done. Students will continue to incorporate linking and chronological words in their writing.

In math, the grade 3 and 4 students are completing their unit in 2-D geometry. The students have been identifying and comparing a variety of polygons and sorting them by their geometric properties. Students will continue to explore and describe angles using concrete materials. We will then begin our next unit, focusing on measurement.

### Mr. DiBenedetto Gr. 4/5

During the month of January, the grade 4/5 students will begin to learn to create procedural writing pieces. They will learn to include material and highly detailed steps in order to explain a process.

In math, we will complete our unit on 2-D geometry and begin to explore measurement. The students will learn to measure distance, area, and perimeter.

### Mr. MacLeod Gr 6/7

In Math, the Grade 6 and 7 class will be moving on to our Measurement Unit. The grade 6 class will be exploring perimeter surface area, capacity and volume and various units of measurement related to mass. The grade 7 students will focus their attention on area and volume of prisms and irregular figures. In literacy, the class will continue to infer authors' messages through words, pictures, videos and various forms of media. Our writing focus will continue to focus on Biography writing. The grade 6 students will wrap up their Social Studies Unit "Canada's Interactions with the Global Community". Grade 7s will begin a new Science unit on "Heat".

Mrs. Richard Gr. 7/8

The grade 7/8 class will be beginning to make inferences as they read. We have just finished narrative writing and will be moving on to writing literary essays. In mathematics, we will be moving on to Measurement (Unit 6). In geography, we will continue to focus on “Physical Environments” (grade 7) and “Global Settlements” (grade 8). In science, we will continue to focus on “Structures” in grade 7 and “Systems in Action” in grade 8.

## ONLINE PAYMENTS AVAILABLE!

For safety and efficiency reasons, we want to reduce the amount of Cash & Checks coming into our school. School related expenses are now available online for you to make payment.

**Parents please register!**

**Here's how:**

**Step 1:** Go to this website:

<https://hwcdsb.schoolcashionline.com>

**Step 2:** Register by selecting the “Get Started Now” and following the steps

**Step 3:** After you receive the confirmation email, please select the ‘click here’ option, sign in and add each of your children to your household
